

**OUTPOST WRITING WORKSHOP  
ON THE ZUMWALT PRAIRIE  
June 22-29, 2019  
Participant Packet**

Welcome to Outpost on the Zumwalt Prairie. We hope you are as excited about this opportunity as we are about providing it. Please take a few minutes to read the following pages carefully as they contain important information regarding your Outpost experience.

The goal of Fishtrap's Outpost program is to provide writers with an opportunity to experience a remote, natural environment in Wallowa County in order to find solitude, connect to the landscape in a meaningful way, and write about their experience. Instructor Joe Wilkins guides your Outpost writing experience this year, and naturalist Janet Hohmann joins Outposters for her sixth year on the Zumwalt Prairie.

**Joe Wilkins** is the author of a memoir, *The Mountain and the Fathers*, and three collections of poems, including *When We Were Birds*, winner of the 2017 Oregon Book Award in Poetry. Winner of a High Plains Book Award, a GLCA New Writers Award, and a Pushcart Prize, Wilkins has published essays, poems, and stories in *The Georgia Review*, *The Southern Review*, *Ecotone*, *The Sun*, *Orion*, and *Slate*. Of his work, the *Indiana Review* writes, "The most striking component of it is its awareness of 'the whole world.' What is ordinary becomes transcendent. In places derelict and seemingly unexceptional, Wilkins compels us to recognize what is worth salvage, worth praise." Wilkins's debut novel, *Fall Back Down When I Die*, is forthcoming from Little, Brown in early 2019. Though born and raised on the Big Dry of eastern Montana, he lives now with his family in western Oregon, where he directs the creative writing program at Linfield College.

Joe is looking forward to an expansive five days on Zumwalt Prairie with you.

**Janet Hohman** is a Wallowa County wildlife biologist, naturalist, and trail guide. Although she'd never admit it, she probably knows more about the Zumwalt Prairie's plants and wildlife than just about anyone. She will lead hikes and answer questions during the week.

You may also have a few guest speakers during the week to give you a more complete picture of the area including Fishtrap staff and The Nature Conservancy's Jeff Fields.

### **What to expect at Outpost**

Part of the beauty of being out on the Zumwalt is that you will be off the modern day grid. But that also means you will be an hour from any medical facility, town, or store. Cell connectivity is spotty if at all, and **there is no wi-fi access**. Please double-check that you have all necessary prescription drugs, several layers of clothing, sun protection, rain gear, and a good warm hat. Bring paper and pen since there is limited electricity (solar). A suggested pack list is included below. We also have an assumption of risk form that you will be asked to complete upon your arrival at Fishtrap.

### **Opening Day Schedule**

Outpost sign-in is Monday, June 24 from 3:00-4:00pm at the Fishtrap House, 400 E. Grant St. Enterprise, Oregon 97828. **We will all leave together for the Zumwalt promptly at 4:00pm.** Please give yourself plenty of time for travel. Remember, Wallowa County is a long drive from most anywhere. That's part of what makes Outpost so great. Get an early start. Give yourself time to get any last minute supplies. Maybe plan a stop at Terminal Gravity brewpub in Enterprise for lunch!

After setting up camp, we'll have a welcome dinner and you can all get settled in for a week of discovery and writing.

### **Transportation to Outpost Camp**

Fishtrap provides transportation to the Outpost camp from Enterprise. Sit back and enjoy the 25-mile scenic drive over primitive access roads in the comfort of an air-conditioned van. We'll also transport all your gear. Personal vehicles are not allowed at the campsite. Your car will be safe and sound at the Fishtrap House for the week. Please plan on taking any valuables with you, or you can store a bag or two in the Fishtrap office.

### **Food**

You are in great luck. A crew of Wallowa County cooks will be on hand to feed you for the week. You'll have fresh nutritious homemade choices with an emphasis on locally grown ingredients. No one will go hungry or thirsty, that's for sure. Please let us know if you have any food allergies and if you prefer regular or vegetarian fare.

### **Libations and Treats**

Some folks choose to bring special snacks, soda pop, a bottle of wine, or beer to sip at dinner or around the fire. You are welcome to do that but please have it all pre-packed and ready to go. We won't be stopping by a store on the way out to Outpost.

### **Sleep**

We encourage you all to pitch a tent and sleep outside under the stars. Bring your favorite tent, sleeping bag, pillow, and any other camping amenities you enjoy including a camp chair. If you prefer a roof over your head, there are also nine bunks available in the shared, co-ed bunkhouse. If you choose the bunkhouse, please bring bedding or a sleeping bag and a pillow.

## **Medical**

Outpost is an hour from any medical facility or store. Please pack all your medications and please don't take any physical risks while hiking and exploring. Drink lots of water. Seek shade. We will have first aid kit available and an RN on site all week in the unlikely case that someone needs medical attention. If there is an emergency, you will be transported to the nearest hospital in Enterprise, Oregon. The latter has never happened in the history of Outpost and we don't want to break that good record so please be careful out there.

## **Background Information**

We encourage you to do some research in advance of your Outpost week. The Zumwalt Prairie has a rich history and great opportunities for viewing wildlife, native plants, and the geology of the region. Here's a link to The Nature Conservancy's Zumwalt Prairie web page:
